IDALOU HIGH SCHOOL

Idalou, Texas

Foreword

Look not into the past-----It comes not back
again-----Wisely improve the present----- It is
Thine-----Go forth to meet the shadowy future
without fear, and a manly heart.

Dedication

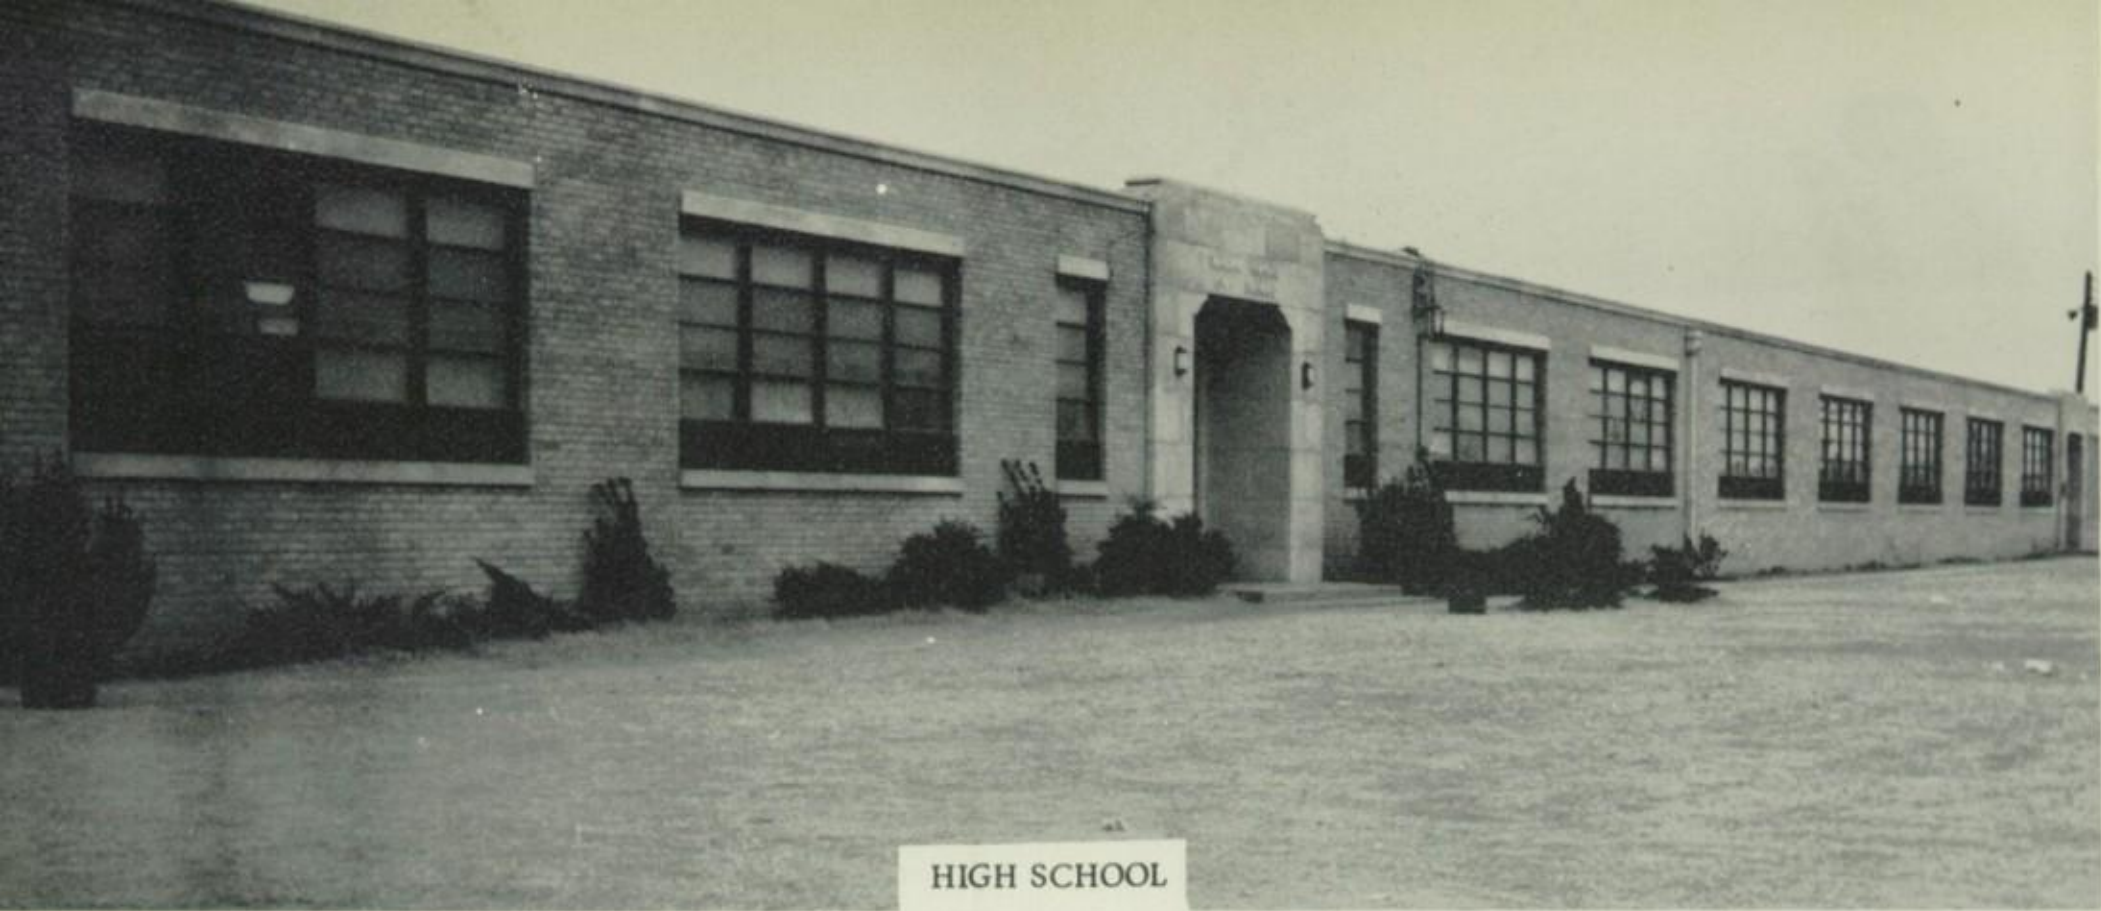

You're typical teens - making fun out of work - sharing interests - you like jeans but can change to glamour when it fits the occasion.

Yes, you're typical teens - Go steady - about five months - Dress up - heels for her - tie for him - You know how to drive - rely on the family bus - get it - say twice a week. You snack, watch television, listen to the radio while doing home work.

You're a typical high school student - You go out for sports one hundred per cent - You hold down a job - baby sit - sometimes into the early hours of morning - You work in stores - garages - up late - little spare time.

Your daily schedule is a familiar pattern of high school life - get up up at 7:30 - maybe 8:00 - sometimes oversleep - ride the bus - go at breakneck speed to cafeteria for lunch - drink cokes - munch candy bars and hot dogs - now and then you order a real feed - You enjoy school but hate to admit it - study some - three hours a night - no - a week - average "A" - well "C" - Anyway you make the grade - just - but you're satisfied because you are a teen ager.

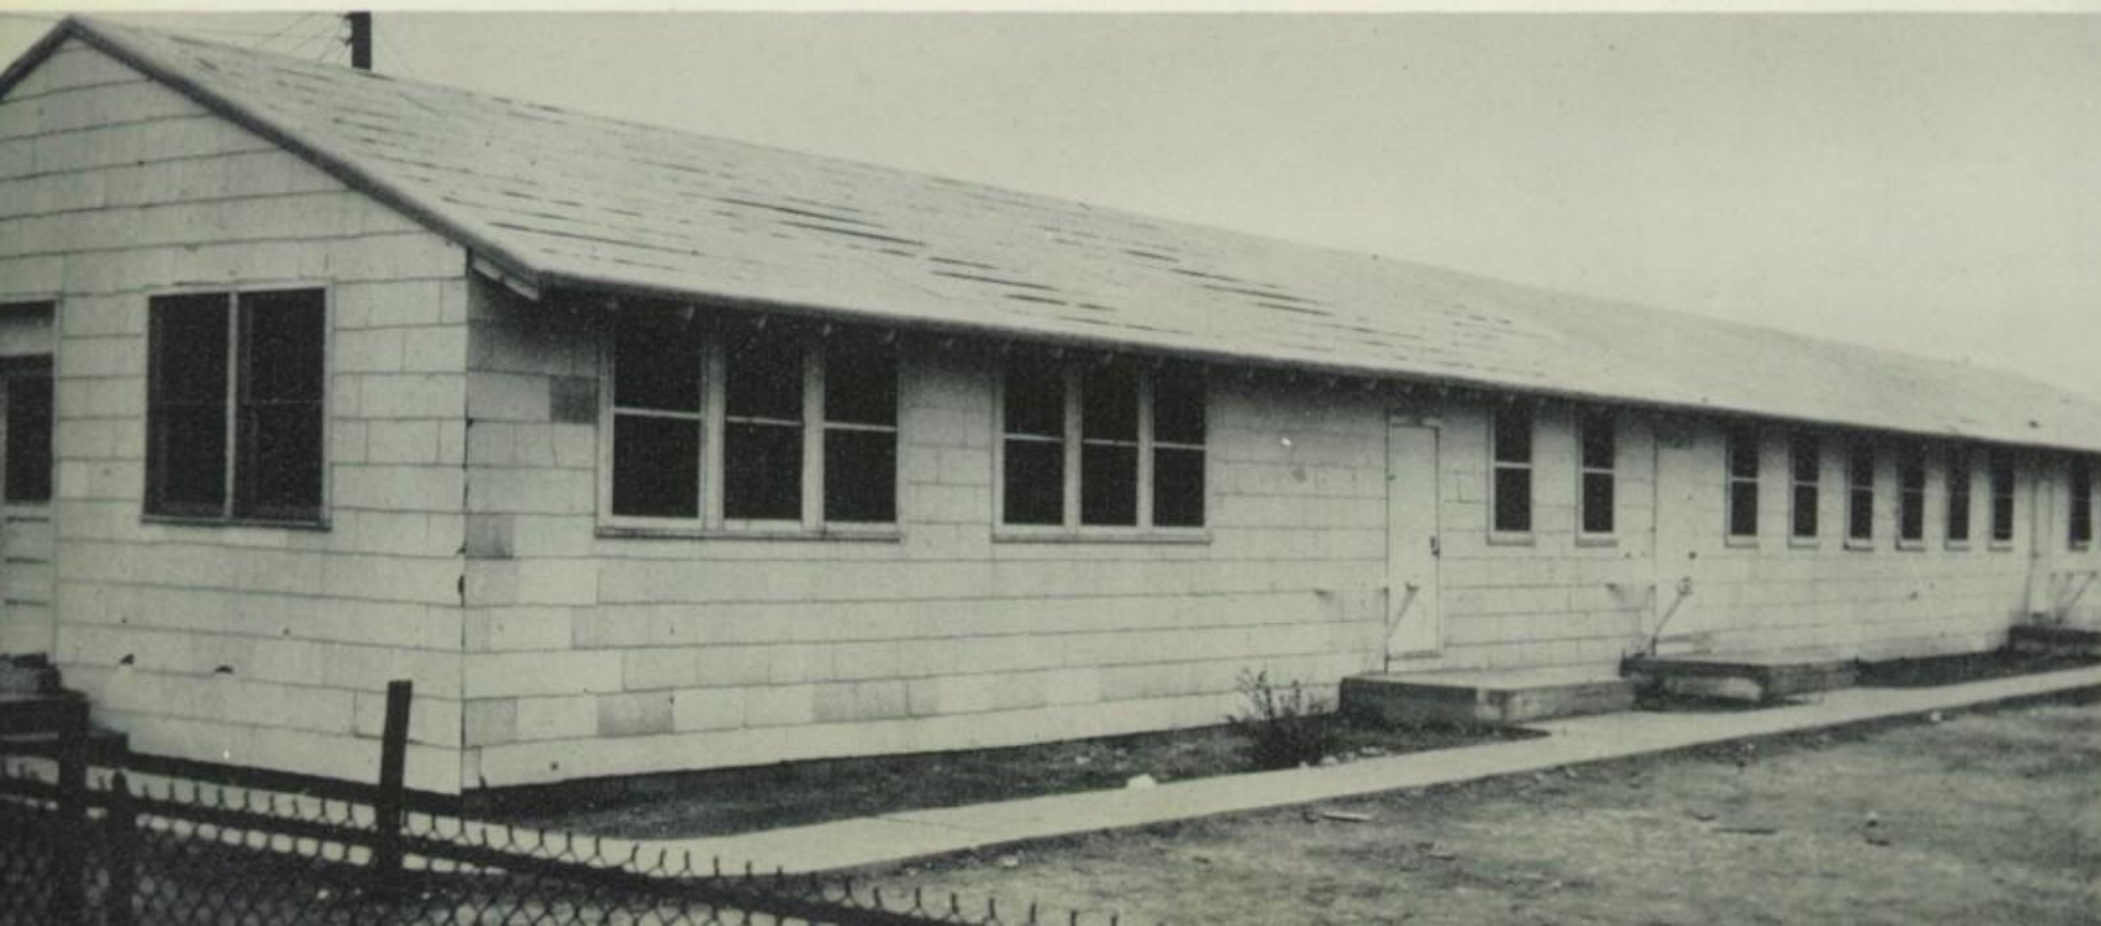

And so since you have all these qualities be they good or bad, ludicrous, pathetic, or otherwise we "DEDICATE THIS 1954 WILDCAT TO YOU, THE STUDENTS OF IDALOU HIGH SCHOOL.

Superintendent's Message

Dear Students:

First to the senior class of 1953-54 I want to express my sincere thanks and gratitude to you for being such a fine cooperative group of students, and always willing to give of your best for "YOUR" school. You have done a fine job in producing one of the very best annuals we have ever had at Idalou High School.

To the other classes of our school I sincerely hope that you will take your school seriously, and remember that we receive from anything just what we put into it. It is a pleasure to work with a fine group of high school students who are willing to give of their time and talent to make our school better. I shall always remember you as one of the nicest student bodies that I have ever worked with.

Sincerely,

Merle Walker

Principal's Message

Dear Seniors:

My association with you this year has been one of the high lights of my life. Your excellent citizenship, in school and in the community, has been an inspiration to me. I have no fear in regard to the future of America when her affairs are left in your care as citizens of tomorrow. As you leave school here, you will find responsibilities wherever you go, and I know you will meet them and solve them in the same admirable manner as you have here at home. I shall always cherish these few days it has been my privilege to associate with you, and expect to look with pride upon all your accomplishments in the future.

Sincerely,

Elbert Reeves

ELEMENTARY

To the Students of the Idalou School

Congratulations to the entire student body of the Idalou School for a well rounded year of work. Your school spirit and willingness to work on all phases of school work has been very commendable.

Congratulations to the annual staff for a job well done. Your work in publishing this yearbook will be appreciated more and more with the passing years, for it is always a thrill to turn through the pages of an old yearbook and relive those happy experiences that it brings to mind.

To our graduating eighth graders, our best wishes will follow you always, and to those students remaining, let's all unite and combine our efforts in building a greater and better school, the better to prepare our young folks to become good American citizens.

May your journey down through the corridor of years yield you personal satisfaction and service to the community you choose as your home, is my sincere wish.

It has been a pleasure to work with each student during the past year, and if I could give you something by which to shape your life, I would say:

I shall not pass through this world but once,
And any good therefore that I can do
Or any kindness that I can show
To any human being, let me do it now.
Let me not defend or neglect it
For I shall not pass this way again.

Your friend,
